

Dear patient,

Thank you for choosing Proliance Surgeons Seattle Orthopedic Center and Orthopedic Specialists of Seattle!

Your provider has ordered an MRI to be performed at our facility. If you would like to have your MRI at an outside facility, such as RAYUS, please let us know. We are currently working on obtaining **prior authorization** from your insurance provider.

In the meantime, we will need you to complete a **safety screening questionnaire**, to ensure that it is safe to proceed with an MRI at our facility. We will send you a separate **email** and/or **text message** with a link to complete the questionnaire. **Please complete this as soon as possible** to expedite the scheduling process.

Once your insurance company approves the prior authorization, our team will send you a **cost estimate** outlining your expected out-of-pocket responsibility based on your insurance coverage. **We will call you** to schedule your MRI.

Please note, that at our practice, we require payment **at or before the time of service**. If we overestimate your out-of-pocket costs, we'll issue a refund after settling any outstanding amounts for services provided.

If you have any questions, feel free to contact our MRI scheduling line at 206-297-5411. We're here to help!

Sincerely,
Seattle Orthopedic Center MRI
